

THE LION'S ROAR

February-March-April 2024

From Fr. Robert Magoola

Greetings, dear people of God! Thank you for continuing to participate in the life of our church! In my estimation, the Annual Meeting went very well. As Christians, we live by faith, trusting God to sustain us in all matters of life. And we're thankful.

Like good Episcopalians, a dozen of us met at the Lincoln Grand Theatre on the evening of January 23 to watch the much-anticipated documentary, *A Case for Love*, and returned to the parish hall for a robust discussion over coffee and donuts—thanks to Opal and Mary. The movie features a wide variety of stories across generations, age groups, races, genders, social locations, and occupations; each bringing their unique contribution. We noted the imperfection of human institutions such as Church. We might sincerely believe we're gate-keeping for God yet often hurt some of the people we should be protecting. For this I apologize on behalf of church leaders. We are called to love everyone as we would like to be loved. Loving others means listening to their story, their desires, concerns, hopes and fears, and learning the best ways to respond to their uniqueness. Love takes effort!

As we begin a new year, I invite you to be fully engaged in the life of our church starting this Lenten period. There are many ways to participate, such as showing up at church on Sundays and other occasions. If not in person, you are welcome to attend via Facebook/YouTube and, while at it, please send us a greeting or comment so we know you were here. I read these comments. Our Lenten sermon series will be based loosely on Adam Hamilton's *The Walk: Five Essential Practices of the Christian Life*. On Palm Sunday, our very own Chuck Peek+ will celebrate and preach. On Easter, we will renew our Christian vows, our commitment to the Lord and to his work in the church and in the world around us.

During April, I will lead a ten-day clergy training mission to Uganda. I plan to tell you all about it upon my return. We will install our new Vestry and Justice in Action volunteers as we celebrate St. Mark's Day along with some SMOC members from 50 years ago. All these occasions are good opportunities to invite a friend, a relative, a co-worker or someone from the grocery store.

I pray this will be a great year, filled with inspiration and blessings for all of us, both personally and in our common life. . . as we walk with our Good Shepherd.

2024 Annual Parish Meeting Summary

Following a potluck lunch on January 28, 2024, Fr. Robert started the meeting with a prayer. David Bloomquist was appointed meeting secretary. Minutes of the 2023 annual meeting were briefly reviewed and unanimously approved.

Fr. Robert welcomed everyone and shared a few highlights from his annual report,

- Last summer, we fondly bade Ross Mosier farewell. We welcomed David Bloomquist as Office Administrator and Casey Behm as Music Director, both of whom are doing a splendid job. We also have two Recital Monitors who assist as needed.
- Our average Sunday attendance was 46. Despite losing some of our regular members to death or moving out of state, we've had new people worshipping with us. Thank you for inviting your friends, co-workers, and family and for treating our guests like family.
- Our monthly services at Legacy Terrace continue to serve an average of 13 attendees. Thanks to the Hanways, the Shepards, and Jeanne Vannorsdall who often invite / remind their neighbors to attend each third Sunday.
- After serving for two years as co-president for *Justice in Action*, I stepped down to now serve on the Affordable Housing steering committee. Along with others, I am deeply involved in researching affordable housing issues and will soon be seeking solutions. St. Mark's on the Campus provides office space for *Justice in Action* staff, Beth Graverholt and Olivia Butts, in our basement.

The nomination committee shared their results. Mary Lutz and Jeanine Jewel will continue as co-wardens and Jim Karas was nominated as "warden in training". They were all unanimously reaffirmed/approved.

The retiring Warden and Vestry members – Sara LeRoy Toren, Steve Blum, and Nita Sipple – were thanked for their service. The new Vestry nominees were Michaela Halvorson and Todd Sandsted, along with Stan Sipple to complete Jim Karas' term. They were all unanimously approved.

Parishioners finishing their potluck lunch and reviewing last year's meeting minutes

Delegates to Annual Council: Volunteers Jon Flint, Jeanine Jewel, Opal Doerr, and Andrea Nelson (alternate delegate) were unanimously approved.

Committee reports were shared – most by title, some with additional oral comments:

Adult Forum – Steve Blum	Gathering Place – Anne Puls
Altar Guild – Susan Musick	Making Strides – Peg Sheldrick
Audit Committee – Kim Thomason	Music Report – Casey Behm
Building & Grounds – Pippa Lawson, Todd Sneller	Office Administrator – David Bloomquist
Communications Committee – Opal Doerr	Prayer Chain – Peg Sheldrick
Deacon – Deacon Rich Kelly	Refugee Support – Pippa Lawson
Endowments – Mark Musick	Sacred Arts – Peg Sheldrick
Eucharistic Visitors – Bob Kuzelka	Special Events Committee -- Opal Doerr
Finance – Mark Musick	Ushers Report – Bob Kuzelka
Food Pantry – Anne Puls	

Treasurer’s report – Kevin Cole shared observations about the 2023 fiscal year. Income was somewhat higher than expected, largely due to substantial faith offerings. Expenses were also higher than expected, largely due to the replacement of the old [broken] security system and unexpected plumbing and electrical wiring repairs.

2024 Budget was presented by Mark Musick. The Budget Committee was not able to balance the budget based on pledges, plate, and facility use fees. Due to deaths and relocations, we have fewer pledging units. Three options were proposed to bridge a shortfall of \$53,210.15.

- First, use of Faith Offerings (funds donated by pledgers beyond their annual pledge). If enough Faith Offering funds are available, options two and three will not be used.
- Second, with approval of Vestry, shifting funds previously set aside for Rector Search costs (\$25,789.68). If Faith Offerings aren’t enough, this second option will be used to address the shortfall. If enough funds are available using the combined options one and two, option three will not be used.
- Third, allow the Vestry to use up to \$27,420.47 of funds from the Building on Faith set aside (BoF). The BoF project (facility improvements) has been completed and all expenses have been paid. The current BoF balance is \$41,937.94 and an additional \$25,000 in BoF pledges is expected to be contributed this final year of the BoF fund drive. Originally, all unused BoF funds were designated by parishioners to increase the principle of the Capital Improvements Endowment Fund. Because the third option would change that designation, it required approval by the parishioners. This is the text of the third option:

St. Mark’s parish approves to use the Building on Faith Money for operating expenses in the 2024 annual budget. This money was originally intended to be transferred into principle of the Capital Improvement Endowment. With this vote, up to a maximum of \$27,420 can now be spent for the church in 2024.

There was considerable discussion. An amendment to the option was proposed that would have required any BoF funds used to balance the 2024 budget be replaced at some future point. The amendment was considered at length but failed when put to a vote. The original motion carried: 36 for, 2 against. Overall, parishioners acknowledged that this method of balancing the annual budget is not sustainable.

Retiring Warden, Sara LeRoy Toren, thanked everyone for giving of themselves to make St. Mark's on the Campus the loving, welcoming place that it is. She then presented the 2024 Service Awards to Kim Thomason and Mary Lutz.

All attendees introduced themselves and briefly described their SMOc experience. Mark Musick read his traditional rhyming poem about St. Mark's past year (*see page 10*). Fr. Robert closed the meeting with a prayer and a blessing around 1:30 pm.

Witnessing for St. Mark's

From Oluseye Fakinlede (pronounced ol-sa-ya)

I started worshiping in St. Mark's in mid-August last year, and it is a good ground for students, especially the international students on campus like myself. And this is the reason why I enjoyed inviting my friends, and acquaintances. Once I even invited someone who was not a student.

I believe St. Mark's is a gift to students on campus if only they can see it. And while many of those I have invited haven't shown up consistently, I desire that they strongly consider staying because the gift to a church is helping its growth. It is by inviting one person per time, a student, a random person at a coffee shop after a sweet conversation, a neighbor, or an old friend who has long not been to church, and then following up with that person. I believe it is a joint effort, showing love and being intentional about it. What the world needs is love, and I believe they can experience God's unconditional love at St. Mark's on the Campus.

Justice in Action Update

As many parish members may know, one of the ways in which SMOC is supporting Justice in Action is by hosting the staff in the repurposed Sunday School rooms in the SMOC basement. If you have not yet met Lead Organizer Beth Graverholt or her colleague, Olivia Butts, please take the opportunity to do so at an upcoming meeting of JIA. Mark Musick, Lucy Webster, Todd Sneller, and Fr. Robert all serve as SMOC contacts for JIA. Todd Sneller also serves on the Executive Board this year. Please contact any of us for additional information about upcoming events or other JIA updates.

Following the annual meeting in November, JIA organizers set schedules for meetings of those who wish to take an active role in one of the three groups that are focused on the topics of **Mental Health Navigation**, **Sentencing Reform** and **Affordable Housing**. Several members of SMOC have taken an active interest in these work groups. If you would like to attend any of the sessions, please ask one of us for more information. Most of the groups meet at least once per month at a host church. All are welcome to attend and participate. JIA is a group of volunteers who share concerns about the impact of each of these topic areas in our community. Your interest and participation are encouraged. **And please plan to attend the second annual Nehemiah Assembly in May!** Details to follow!

Halo Again! Lent Madness Is Back!

"Dancing saints" artwork (above) is from the LentMadness.org website. Learn more about this marvelous artwork [here](#).

If you like March Madness with basketball, you'll love Lent Madness with saints. This unique contest is presented each year by Fr. Tim Schenk of Massachusetts, and Fr. Scott Gunn of *The Forward Movement*.

Lent Madness brings together a field of 32 saints from long ago and the not-too-distant past in a single elimination bracket, with each worthy soul vying for votes in a quest for the Golden Halo. In daily contests on the web site, clever bloggers make the case for the two saints of the day. The Lent Madness audience casts votes for the saint they think most worthy and the top vote-getters move forward.

St. Mark's encourages you to visit www.lentmadness.org and take part in the voting. It's a fun way to learn more about saints you know and get acquainted with some you might not have met

yet. As incentive, St. Mark's is holding a prediction contest. Prediction forms--aka brackets--will be available on the pews or around the church prior to the beginning of Lent.

Once you have filled in your predictions, you can turn in your form outside the office or scan your completed form and send it to Peg Sheldrick at shelarts@aol.com. Please make sure your name is on the form.

Next, visit the Lent Madness website each day to vote in the day's competition. You get one vote per day. You can watch the saints as they progress through the rounds, including the Saintly Sixteen, the Elate Eight, and so on. The final match-up takes place during Holy Week, when the world will vote on and crown the 2024 Golden Halo winner.

Please Note: Prophets profit! There will be a prize bag for the most accurate/least wrong predictor. Of course, the fabulous St. Mark's prize bag is not the only or best reward for taking part. You will meet saints old and new, enjoy spirited commentary, and explore your own ideas and values along the way.

Please turn in your completed bracket sheets by **Ash Wednesday, February 14**. To learn more or join in, visit www.lentmadness.org, or email Peg Sheldrick, shelarts@aol.com.

UNL Marketing Project

How can we introduce residents living in downtown Lincoln to the wonderful worship, music, and community that they can experience at St. Mark's on the Campus? Projections by the Downtown Lincoln Association and others suggest that Lincoln will soon have about 10,000 people living in the downtown area (in off-campus housing). As one of the few churches in immediate proximity to both downtown and campus areas, several parish members have suggested devising an outreach strategy to introduce more people to St. Mark's on the Campus.

We are already reaching out to the campus through musical collaborations with the Korff School of Music. Casey Behm, our new Director of Music, is a graduate student there. We have also retained two student interns as recital monitors to assist with musical events involving School students.

To explore the possibility of a marketing effort that would target downtown residents, Todd Sneller approached the UNL Marketing Department. Rob Simon, an Associate Professor of Marketing quickly responded to an inquiry. He indicated that several students agreed to take on SMOC as a "client" during 2024 and to evaluate marketing strategies. This process was expected to begin in January.

First steps include one or more meetings with Professor Simon and his students, a review of the parish member survey conducted during November as well as a vision statement prepared by Fr. Robert. The marketing project will likely take at least five months. Additional details will be provided as the project evolves.

Warm Clothing for Gathering Place

Oluseye Fakinlede, Todd Sneller, and Fr. Robert present warm clothing to Lisa Janssen, of the Gathering Place

Thanks to all who supported SMOC's cold weather apparel drive on behalf of the Gathering Place! Lisa Janssen, executive director of the Gathering Place (GP), expressed her gratitude several times. This, our third annual clothing drive, was part of our community outreach effort to help

those in need. Fr. Robert and Todd Sneller both had vehicles filled-to-capacity with donated items. Lisa indicated that the items were distributed to patrons of the GP on December 21 just as a cold weather system hit Lincoln.

Scheels was again an important partner with SMOC. Scheels contributed over \$3,000 of clothing items. The apparel was given to Near South neighborhood residents most in need of this help. The Gathering Place indicated that virtually all the clothing items were distributed in about an hour. Contributed items included warm outerwear, stocking caps and gloves, sweatshirts, and sweatpants. as well as sleeping bags. Connie Backus-Yoder also contributed a dozen handmade blankets for children. Other contributions included personal hygiene items such as lip balm, toilet paper, bar soap, and hand lotion. This outreach project is an annual effort to help many in Lincoln who do not have adequate warm clothing for our winter weather.

Adult Forum's Poetry Theme

If you enjoy poetry, please join us at the Adult Forum for a series titled "Poems that Inspire!" Sundays, 9:30 - 10:15 am in the Parish Hall through March. If you have a favorite poet or there have been poems that have been inspirational in your journey that you would like to share and discuss at the Forum, contact [Steve Blum](#). We will continue the series after Easter if there is interest. A good poem, after all, can save your life or at least carry you through a hard day.

An Advent Prayer -- not just for Advent

by Fr. Don Hanway

Into our world of darkness and every man for himself
Has come a word of hope and peace for all:
A release from bondage to our failures and resentments, our fears and tribalisms,
The promise of a new day where love rules in every heart.
Come Lord Jesus and make it so. AMEN.

A Cloud of Witnesses

For several years, Jim Ransom, Chuck Peek and a few others have talked about facilitating a gathering of those who were part of the St. Mark's on the Campus student community in the 1960's and 70's. Now it's going to happen! A Cloud of Witnesses will gather at St. Mark's on the Campus on Friday, April 26, through Sunday, April 28, 2024.

The worship and student community life at St. Mark's helped shape students' lives as Christians and their vocations as clergy in the Episcopal Church. After over fifty years and so many and various life experiences, it is time to greet one another again, joyfully remember youthful years together in the University and at the Chapel, share life experiences, and offer witness to the current St. Mark's community.

For further information, contact ransom.james.c@gmail.com. To register, send a note saying you would like to register for A Cloud of Witnesses Gathering, giving the names of attenders and appropriate contact information together with a check (made out to St. Mark's on the Campus) for \$175.00 for each person attending, to St. Mark's on the Campus, 1309 R Street, Lincoln, NE 68508. Mark the check and your note "A Cloud of Witnesses Gathering." Your registration fee is refundable if you find that you are unable to attend.

A Poem for 2023 at St. Mark's on the Campus

2023 a year in the past,
Now, look into the future, and develop a forecast.
God's love for St. Mark's parish is one that will last,
Possibly will even leave some flabbergast.

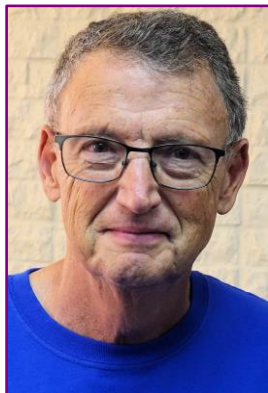

Fr. Robert and Deacon Rich during the services
provide the lead,
And with the parish help, fulfill every need.
With God's close watch explaining biblical seed,
Listen closely for the lessons, all must take heed.

Welcome David to the St. Mark's nerve center,
Monitoring the entrance door, watching all who
decide to enter.
Handling the numerous details for every Sunday
service,
I suspect, at the beginning, he was slightly nervous.

As Ross headed south to Kansas, the church bid a
sad goodbye,
For the many things he accomplished at St Mark's,
we should glorify.
His time spent in the church, was second to none,
Wishing him the best success climbing the music
echelon.

Welcome to Casey using his talent for choir and
music,
Matching with the design of the church enhancing
the acoustic.
The choir enriches the parish spiritual high,
Increasing our faith for God we must rely.

Leaving the vestry, Steve Blum and Nita Sipple after
three-year,
Thank you for helping St. Mark's as a Vestry
volunteer.
Your guidance, advice, and insight help the church
persevere,
Leaving the vestry with a solid atmosphere.

**Mark Musick, a poet
with a talent -- and a
good sense of humor,
for which we are very
grateful!**

A new security system integrated into the building is
magnifico,
As the 30-year-old antiquated arrangement fell to a
new low.
Many new features to figure out, we must confess,
It is still confusing to many, but we are making
progress.

Thank you to Wardens - Sara, Mary and Jeannine,
the Warden in wait,
Sara graduates to warden ex-officio after this
meeting, how great.
Thanking you three for all you have done, which the
members appreciate,
You have earned many accolades in heaven, and
they will continue to accumulate.

Todd Sneller is a recognized Justice defendant and
protector,
Finding solutions to difficult problems, you are a
determined prospector.
Thanks to Pippa the summer courtyard flowers are
magnificent,
So colorful, charming, well-arranged, and fragrant.

December planned an evensong where music from
heaven did descend,
University students demonstrated their vast musical
talent for all to attend.
Fr. Robert played on his guitar instrument,
As the organ and piano provided the
accompaniment.

Standing water on the flat roof – a formula for
disaster,
To make matters even worse, the leak was over the
desk of our rector.
Time to divert the water quickly and be grateful,
Or end up with water dripping on Fr. Robert' desk,
by the plateful.

Several from our parish were transported into the
spiritual world,
Susan, Barbara, Roger, and Don their spirits were
unfurled.
For those of us still here, who worship in this
remarkable place,
Continue to behold in our lives, the many instances
of God's grace.
